

Qonnections 2019 Information and Checklist

We are excited to have you join us for another great year.

Checklist

	<p>Book your hotel room If your hotel room is not booked yet, now is the time as rooms fill up fast. Visit the Qonnections 2019 Travel and Accommodations page for information on the three hotels we have secured for attendees.</p>
	<p>Transportation from airports to hotels/convention center From the Dallas Airport or other airports, ground transportation to your hotel is at your discretion. We recommend you check with your hotel for airport service or reserve an Uber.</p>
	<p>Gather travel documents If you are traveling from outside the U.S., make sure you have all of your travel documents together, such as your passport and/or visa letter. Not sure what you need? Visit the FAQs section and select “travel and hotels” for more information.</p>
	<p>Build your agenda and register for break-out sessions Check back soon – we’re in the process of building out a not-to-be-missed agenda!</p>
	<p>Register for Late Night Lunacy and Hackathon If you plan on helping to solve the world’s problems this year, you must register prior to the beginning of Qonnections. Registration opening soon.</p>
	<p>Download the Qonnections 2019 app Make the most out of the event with our mobile app. The app holds a variety of information such as your personal agenda, conference maps, speaker info, etc. You will need your Qlik credentials, similar to your registration log in. The app will be available on the apple and Android app stores in April. Simply search Qonnections 2018.</p>
	<p>Plan ahead for Tuesday night dinner Tuesday is a free night for dinner. Stay in the hotel and order room service, or visit one of the restaurants in Dallas.</p>
	<p>Dallas weather In most years, Dallas averages a daily maximum temperature for May that’s between 82 and 87 degrees Fahrenheit (28 to 30 degrees Celsius). The minimum temperature usually falls between 63 and 68 °F (17 to 20 °C). The days in Dallas continue to warm quickly during May.</p>
	<p>Packing the essentials Even the most experienced travelers will forget an item or two. The hotels offer a variety of toiletry items just in case you leave something at home. But items such as a phone charger, a universal plug adapter or medications are things you do not want to leave behind. Double check you have what you need.</p>
